Re: Egberto Velez v. Home Depot U.S.A., Inc.  
USDC/SDNY Docket No.: 19-CV-05031

Dear Judge Karas:

We represent Home Depot U.S.A., Inc. in the above referenced matter. As you know, the parties participated in an Initial Conference on April 17, 2020 before Your Honor. During the conference, Home Depot requested to include an additional deadline to complete all expert discovery beyond the two dates listed in 7(a) and (b), which was inadvertently omitted from the so-ordered case management and scheduling order.

In an effort to further clarify the schedule for expert discovery discussed during the conference, please accept the following application to amend the proposed scheduling order that was so-ordered by Your Honor, made on consent of Plaintiff's counsel. We have only added one date, November 20, 2020, as the deadline for all expert discovery and used the existing expert deadlines, as disclosure dates.

1. Deadline for Plaintiff to disclose expert reports: October 6, 2020
2. Deadline for Defendant to disclose expert reports: November 3, 2020
3. Deadline to complete expert discovery including expert depositions: November 20, 2020

This additional deadline does not interfere with the pre-motion conference deadline or case management conference.

We thank Your Honor for your consideration to this matter.

Respectfully submitted,
